150th Anniversary of Owyhee Lodge #2

David Deland, Bob Covert, Tom Ashley
Merna Deland, Pat Marvin & Donnie Marvin

Silver City - Owyhee Lodge #2 Celebrated it's 150th Anniversary with a potluck lunch followed by a meeting at the historic lodge hall in Silver City, Idaho. The date of the meeting was the same date as the institution of the Lodge: August 26th and of interest is the fact that the 100th anniversary of the lodge was also held on August 26 in 1967. Members who braved the bumpy road to attend the meeting were Donnie and Pat Marvin, Merna and David Deland, Tom Ashley, and Bob Covert. Other members who usually attend were busy at SGL and were missed. Also attending the meeting were some more dead bats, which we couldn't figure out how they got in as the windows were closed. But, the members still enjoyed the old hall and look forward to coming back up next year. The Homeowners Association is planning on fixing the porch next year so it will be interesting to see what it will look like. If anyone needs the 3rd degree, please contact a member of Owyhee Lodge #2 so they can carry on the tradition of putting on the degree in Silver City.

Owyhee Lodge #2 Silver City, Id

Owyhee Lodge #2 will join in with the town of Silver City, Idaho for their annual open house event on Saturday and Sunday, September 16th and 17th. Members from the lodge will go to Silver City and open the hall up to the public on these two days in honor of the 150th Anniversary of Owyhee Lodge #2. The Silver City Homeowners Association is hosting tours for the open house at a cost of \$10.00 each. Tickets are sold at the park from 12:00 noon to 4:00 pm and the tours of the homes and buildings in town will be from 12:00 noon till 5:00 pm. This fund raiser goes to the Silver City Homeowners Association and fixing the porch on the Hall is on their agenda for the near future. Some of the memorabilia from the Hall will be on display and we hope to bring up other lodge items for the public to see. Anyone who would like to help at the hall can contact Donnie Marvin, 208-587-8593. Bring a picnic lunch and come visit.

Just A Rambling Note From The Grand Secretary

Well the summer is over I hope everyone had a good and trouble-free summer. The last few months have been very busy summer. I hope to have your lodge packet out before your lodge starts. I have to apologize the computer decided to quite at a very bad time advanced report in the computer. We have got a new computer so now I am just getting it all back together. (Things to remember: in the office when you are doing a big report always back up you report on a thumb drive.) Please read everything in the packet there are three letters from SGL about the youth tour back east. Some members already know about the issue on the trip this year. 2018 there will not be a youth tour back east for 2018. If you have any questions about the letter's please call or email.

SGL will be over by the time you read this letter and the big question that I have been ask, is SGL raising our dues.

Your Lodge will be electing your Grand Lodge representatives this month for our annual sessions.

This year I will have two copies for the representative's I missed the second copy last year. Please send one into Grand Lodge and send the second with your representative.

I look forward to seeing everyone at Session in Fort Hall this year.

Grand Master

I'm sure that not everyone has turned in their reports for the various committees that they are on, but you should be turning them in by now so that we can have the advance report ready before Grand Sessions. I hope that everyone is ready for the upcoming sessions.

I attended the picnic that Ada #3 hosted at the Municipal Park in Boise. I had a good time and there was plenty of good food there. I'm sure that everyone there had an enjoyable time there.

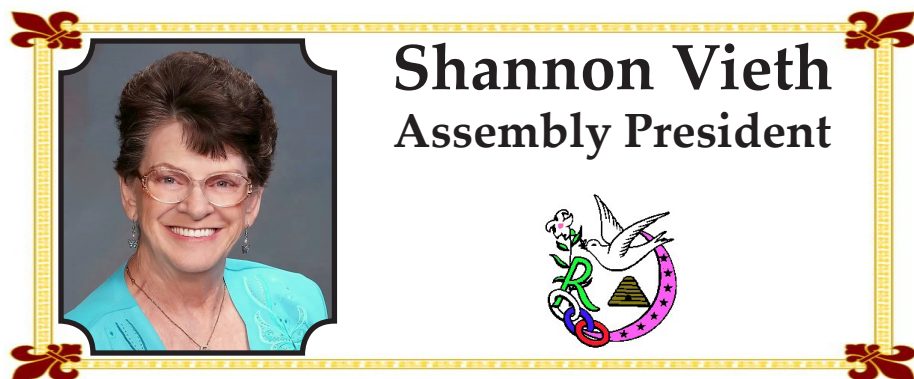

After this is published I will have already returned from Sovereign Grand Lodge Sessions in St. Louis this year. I hope to learn many new things there and see what the other jurisdictions there are doing to find and keep new members in the order. I know for sure that I will hear about the pilgrimage this year and hopefully the plans for the pilgrimage in the future. I hope that they will be continuing the pilgrimage in the future.

I will finish this month's letter with a story about opportunity. Many years ago there was a king who had a boulder placed in the middle of a well-traveled road. The king then hid himself in the bushes along the road to see what they would do. The wealthiest merchants simply came and walked around the boulder. Many other people blamed the king for the boulder being in the middle of the road and thought that the king should do something about it.

Then along came a peasant carrying a load of food that he had worked hard for to bring home to his family. Seeing the boulder in his path he decided that he should move it so that it would not be a burden for others. He set down his food and tried as hard as he could to move the boulder and finally he succeeded in moving it from the path. He went to pick up his food when he noticed that underneath there was a sack of gold and a note from the king saying that whoever removed the boulder from the road, could have the gold.

I hope that everyone is in good health. I also further hope that everyone is getting ready for the annual sessions in Fort Hall. It is just nearly here.

Shannon Vieth
Assembly President

Dear Sisters and Brothers;

I hope everyone had a fun summer with friends and family, I know that I did. I went to Spokane and visited with my daughter, grand kids (and their significant others) and my great-grand kids, had a wonderful time and came back refreshed and ready to get started on the final touches for Assembly. I was looking forward to the picnic in Boise, but health concerns did not allow me to attend. I am sure everyone had a good time and lots of good food.

I have been keeping myself busy getting everything I need ready for October. Thought I had most of it completed, boy was I wrong. I keep thinking of something else that needs (should) be done; but that is just my OCD working overtime.

My many thanks goes to all of my sisters and brothers in District One, they have been working very hard to make sure that your stay in Fort Hall at Assembly-Grand Lodge is the best ever. Also thanks to the sisters and brothers of District Three for their help.

I am looking forward to going to Rose #18 for their meeting this month. I again want to thank all of my sisters and brothers of this lodge for allowing me to change my visitation on such short notice. I know that there will be fantastic food (as always) and a fun meeting.

This has been another sad month for me. We lost one of the most hard working Rebekah's that I know of, Alice Mayer of Bingham #78. Alice was such a shining example of what a Rebekah should be. She always had a smile for everyone and was always stepping up to help when ever you needed her. Our lodge will miss her.

Update on Amosette Plans

Plans are coming along and we are planning on having a fun time at the Amosette Dinner. Remember, if you have dietary restrictions, please let us know when you register.

Have you decided on your favorite movie actress from the 1930's thru the 1960's? Remember, this goes along with our President Shannon's theme "The Good Old Days".

You can dress as the person or your favorite character that they played. Some suggestions from the 1950's and 1960's are: Elizabeth Taylor in 'Cat on a Hot Tin Roof'; Irene Dunne in 'I Remember Mama'; Ann Blythe in 'Mildred Pierce'; Grace Kelly in 'The Farmer's Daughter'; or Doris Day in 'Love Me or Leave Me'.

Please bring a table decoration to be auctioned off and a skit or program to help with the entertainment. There will be prizes for best costume and best presentation.

Hope to see you all there!!!!

Amosette Committee, Cathy Toussaint, Chairperson

From Your Arthritis Committee

If you are feeling more joint pain and stiffness than usual, stress may be the cause. ARTHRITIS TODAY magazine (July-August 2016) suggests three strategies to block stress;

First: Beginning with your feet, tighten the muscle and hold it for 10 seconds. Release and relax for 20 seconds. Repeat upward through the muscles of the body. This will help you focus on the procedure, not the stress or pain. It improves blood flow and may also help headache and insomnia. (I usually fall asleep during the process. If I remember to do it.)

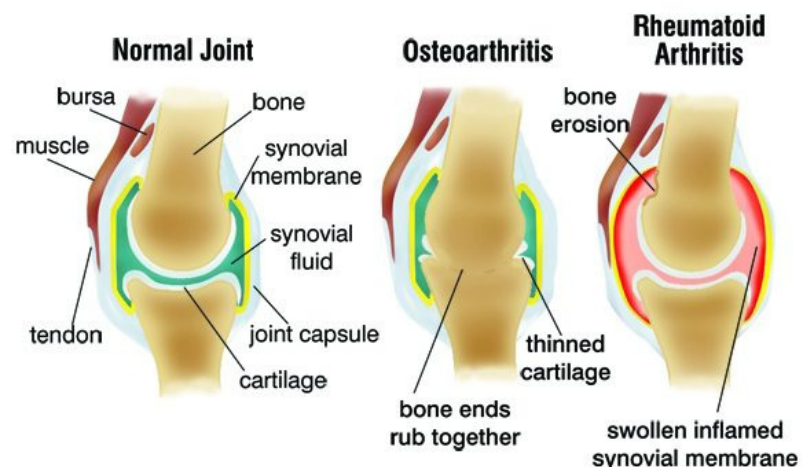

Second: Deep breathing or "belly breathing" is inhaling through your nose for five seconds, holding it for five seconds, and exhaling slowly through the mouth. This also shifts the attention away from stressful thoughts and increases oxygen levels, which helps to slow the heart rate. Attention to the breathing quiets stress and eases muscle tension. Try it and see if it helps your Arthritic pain.

Third: With this technique the person uses their own imagination to create images and sensations. Close your eyes and imagine how you would feel and what you would do if you were in a favorite place, like a camping spot or vacation plan. It is suggested to think about how a noodle would feel as it soaks in warm water, not hot water, and becomes relaxed, soft and flexible. Maybe this relaxation is like the warm baths in a Idaho hot springs or floating down a quiet river.

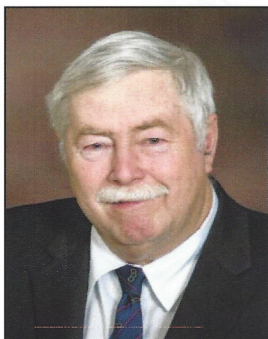

Managing arthritis isn't about making it disappear; it's about getting on with life despite some discomfort. You may feel better by saying a few kind words to yourself. Stop negative self-talk. Write on a corner of your bathroom mirror with a dry-erase marker, "I Am proud of the person I have become." Remind yourself of your gifts, blessings and talents—give yourself a pat on the back. You might want to list them there, too.

It is not too late to order the magazine, or make a contribution from your lodge. I told everyone how to order in Idaho Rebekah News in January 2017.

Grandparents' Day History

Grandparents Day serves to honor and recognize the contributions of grandparents in our lives. Grandparents are a society and a family's ties to its past as they pass on important values, beliefs and ideals to future generations. Their wisdom and love are recognized every year on the first Saturday after Labor Day in September.

National Grandparents Day was founded by Jacob Reingold and Marian McQuade. In 1961, during the White House Conference on Aging, Reingold was inspired to focus on the role of grandparents in society and he subsequently held the first Grandparents Day at his retirement home later that year. By 1961, the New York borough of the Bronx had made Grandparents Day an official holiday. Then, in 1970, Mrs. McQuade began to petition for the

government to proclaim a day for grandparents. In 1973, the first Grandparents Day was proclaimed in West Virginia and in 1978, bill to proclaim National Grandparents Day was signed by President Jimmy Carter. According to President Carter, the elders of each family have the responsibility for setting the moral tone for the family and for passing on the traditional values of our Nation to their children and grandchildren.

In 2004, the National Grandparents Day Council named A Song for Grandma and Grandpa by Johnny Prill as the official song of National Grandparents Day.
