We'd been preparing for this day for some time. Pies were being baked four at a time, turkeys were being prepared, dressing being baked, salads were being made, the Hall decorated, and prizes put together for Bingo. Then the day dawned: Sunday, November 12, 2023. We arrived about 8:30 am, to get ready for Bingo starting at 10:00. We had quite a few people show up for that, and except for when folks were eating dinner, Bingo went on until the very end. We started serving dinner at noon. It was like the dam burst! Everyone showed up at once, flowing through the front doors like a river! The gals had a hard time keeping count of the dinners they were selling because folks were just shoving money at them! Lol... Once folks had paid, they immediately lined up for the food: through the main hall, into the dining room, and around three outside walls before they got to the servers of turkey, mashed potatoes, dressing, gravy and green beans. Then on to the salads, rolls and desserts. It wasn't long before no one could get in to pay, because the line for dinner was right there. It was as crazy as it always is, and it was fun.

ORDER OF BUSINESS

Question: What is the Order of Business

Answer: The Order of Business as published in the Ritual follows a usual parliamentary procedure, and is a convenient and reliable guide. The Order of Business is intended as a guide and when deemed necessary it may be varied at any time to suit the convenience of lodge in carrying on its business.

Roll Call Of Officers: It is very important that an accurate record of each officer's attendance be kept by the lodge. If an officer arrives after the Roll Call, it is customary to correct the record to show him or her present.

Next Month: Introduction of Visiting Brothers or Sisters.

Remember what ever is worth doing is worth doing well!!

That old adage is also true when conducting our lodge work!!

Just A Note From Your Secretary

Just a reminder to all to please get your District Deputy and Lodge Deputy reports in to President Deb as quickly as you can after your last meeting in June.

If you did not get your Annual Report in on time, please remember there is a \$10.00 late fee, plus \$1.00 for every day you are late.

I am looking forward to attending IARA with Sisters Pat Marvin and Marge Harlan. We always seem to have a good time and learn new things to bring home. If you have any concerns about what is happening at Sessions, please contact your representative at this time I do not know who is going to represent Grand Lodge, the Rebekah Rep is Sister Pat.

I would like to thank the lodges for there hospitality that was extended to me during your District Meetings.

Well enough for now please remember Faith, Hope and Charity to all.

We had special guests join us from State: Assembly President Christina Supak, Assembly Vice President Crystal Livingston, DGM David Livingston, PGM Tom Ashley, and Grand Patriarch Bob Covert. We were all really delighted that they honored us with their presence and enjoyed our event.

Folks were so impressed by how smoothly everything went. I guess we might feel rushed and stressed and exhausted, but we're all still smiling. The food was amazing! The tickets were mostly sold in the first 40 minutes, and we served more than 208 dinners. Another wonderful family and community Rebekah Thanksgiving Dinner is now in the books.

We would like to have had pictures of all the folks sitting and eating dinner, but our photographer was serving the turkey!

Thank you to everyone who helped in any way and there were a lot you. We appreciate all that you do.

Sincerely, in FL&T, Mary Pedersen

Brothers and Sisters of our great Order,

October has come and gone; now we are in the month of November and it is moving right along. My official visit to Mountain Home Lodge #19 on the 16th of November went quite well and was very well attended. Grand elected officers present were Deputy Grand Master David Livingston, Grand Warden Mike Miller, and Grand Treasurer Marge Harlan. The Grand Patriarch Bob Covert and High Priestess Sharon McGaffick were also present along with Assembly Vice President Crystal Livingston, Assembly Warden Connie Schultz and Assembly Secretary Vicky Kiele. Mountain Home #19 sponsored Max Butterfield for the Pilgrimage for Youth (PFY) this past summer. Max gave a great speech concerning his trip. He was a very good choice to be a delegate to PFY. Mountain Home #19 is always a fun Lodge to visit.

I have sent out requests to all of the Lodges and waiting to hear from them concerning my official visits. So far I have heard that Ada #3 (Boise) accepted my visit February 6, 2024 and Payette #22 accepted my visit for February 21, 2024. Once the Lodge's let me know what time and all I will share the information with everyone else (I will ask for the information to be published in our paper). Once I hear from the other Lodges I will also share the information with all of you. I look forward to visiting with each of you.

Hopefully all of the committee members

Dear, Sisters, and Brothers

My first month of Presidency has been a busy one. Assembly Secretary Vicky Kiele and I traveled to Caldwell and spent the night at the Museum. Georgia Wickham, Past President, joined us the next morning for the drive to Portland to attend Northwest. There has been a lot of talk about if we should continue taking part in Northwest. I felt that wasn't something I could have an opinion about without attending at least one. I will say I had a great time, I met a lot of people and I learned a few things. I feel it is something we should continue.

There were a total of 54 people in attendance from Idaho, Washington, Oregon, and Canada. Idaho was well represented and active in participating. David Deland, Past Grand Master, and Merna Deland were both Representatives for the Odd Fellows. Georgia Wickham was on the Courtesy Committee, Merna Deland did the Finance Committee, I did the Audit Committee and also participated in the Memorial Service. I dressed up as a Rodeo Clown for the Banquet and I won a prize. Vicky Kiele also assisted in the running of the meeting. In April Northwest will be in Idaho with Oregon hosting. I encourage everyone to attend.

I have been trying to get to the White Bird Thanksgiving Dinner for several years now and something always comes up. I finally made it and let me tell you, those ladies put on an amazing dinner. It's impressive how their Community comes out to support their

received an email from me recently letting you know who else was on the committee with you. This information will also be published in our newspaper in the near future. I know you all will do a wonderful job, and remember some of the committees are have both Odd Fellows and Rebekahs.

Here is my program:

lodge. Several members from down south also came out to support. Bob Covert, Grand Patriarch, Tom Ashley, Past Grand Master, and David Livingston, Deputy Grand Master, and Crystal Livingston, Rebekah Assembly Vice President. You Royal Gem Ladies are definitely doing something right!

My apologies to Mountain Home for not attending their Thanksgiving Dinner. I'm going to do my best to attend as many events as I can this year.

Did you know? Bloomfield Rebekah Lodge No.1, Bloomfield, Iowa, was instituted on October 22, 1868, and is recognized as the first chartered Rebekah lodge of the world. Our History is important and I hope to include something about it in each of my letters.

In closing I would like to wish everyone a Happy and Safe Holiday Season. I know the Holidays can be both a Happy and Sad time. Let's do our best to reach out and check on our Friends and Loved ones during this time.

Eye Related Program Royal Gem Rebekah Lodge #13 White Bird, Idaho

We have been fortunate enough in our community to make use of the Eye Program offered by the Odd Fellows and Rebekahs. Some was used for Sisters, and some for other members of our community. I'd like to tell you about one of our beneficiaries.

We have a dear, caring friend in our community, named Annie (not her real name). Annie has many health conditions but continues to help her friends and family, and us Rebekahs as well. One of her health issues is her degenerating eyesight. She came to us for help, and we were able to provide her with our grant toward new glasses. Her eyesight continues to diminish, and will never return. But her new glasses helped some. I don't know if she would have been able to get these new glasses if it wasn't for our program.

You have people in your communities and Lodges who could use some help to increase their vision. Remember, there are requirements that have to be met, such as lower income. No need to give someone the paperwork knowing they and you will be embarrassed when they are turned away. You know your people. Make use of the program. As we were told at Assembly, "We have the money. This is what it's for." Ask at your Lodge for the paperwork.

Sincerely in FL&T,
Mary Pedersen

Gems from #13 doing a skit about Loving, Caring Bee Sisters

State Assembly was in Moscow this year, from October 14th through the 18th. As our DeeDee Hallquist was State President this year, we rallied the troops together and nine of us from #13 attended. There were meetings, and delicious meals, fun costumes, horse races, decisions made, presents given, a couple of skits, visits with long distance friends, two wonderful raffles, and music! We were honored with the attendance of many Past Presidents, as well as our International guest, IARA Vice-President Mira Pittman. It was wonderful to be able to welcome Sister Christina Supak, of White Pine #60 Lodge in Weippe, as Assembly President for the coming year. Congratulations to Sister Christina and all of her officers.

As seen at Assembly, all of us are so grateful to have had DeeDee serve as President, and so proud of her for her strength of character and her determination to finish out her year beautifully, in spite of injury and operations. You did a great job DeeDee!

Catching up at White Pine Rebekah Lodge

Well, I've been running a little behind on keeping you posted on happenings at White Pine Rebekah Lodge. Back in June at our last lodge meeting before summer break with initiated a new member, Deanna Hamilton. She was sponsored by Karla Beddingfield and joined just in time as we had a long list of summer fund raising projects. And right from the get go she was right there pitching in to help get the work done. This is what a true Rebekah is and does. They step right up to help with whatever is needed. Welcome to this great fraternal organization – Sister Deanna

A total of 8 of our lodge members traveled up to Moscow for Assembly to usher in our very own Christina Supak as the new Assembly President. We are so proud of her and her accomplishments. Sister Christine Brown and Sister Karla Beddingfield had the honor of participating in the flag ceremony. Our lodge, as with so many others, seldom have enough members to be able to have a flag bearer and present and retire the flag at lodge meetings. This is such a beautiful ceremony, one that makes you proud that we have such a lovely way of honoring our flags.

Sister Christine Brown was also asked to give the reply to the welcome. Again, it is such an honor to be asked to perform this task – one that Sister Christine did with flying colors.

Then the fun began with the Amos Amosette Banquet. This year's theme was Kentucky Derby.....so all those crazy hats. All of you were looking good. And again, our sisters really got into the theme of things with some outrageous costumes.

But the real clincher was when I had to ask someone who the lady was with the purple top and colored hair. Ha Ha none other then our new Assembly President Christina Supak. Best of all everyone had fun and the banquet raised some much-needed money for the Palouse Cares organization.

In Friendship, Love and Truth, Vickie Jorgenson, Reporter

Dear Brothers and Sisters,

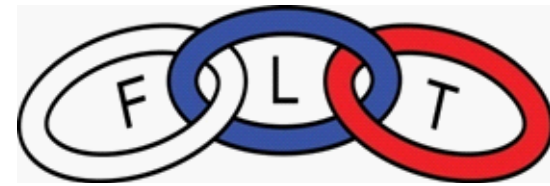

Today I had the pleasure of taking \$5,000.00, raised at our Amos-Amosette Fun Night at assembly. To say their were blown away is an understatement! Palouse Care Network is an amazing program serving single parents, moms and dads, in a multitude of ways! They have resources like clothing of the children, diapers, formula, etc., they do counseling, they help them manage their resources, find housing! It's extensive the things they help with and our money will be used well!

I met Matthew Couch, he is a development coordinator, all he could say WOW!! He just could not believe our generosity!!

Thank you each and every one, our gift will make a difference, all because of F L and T!!

This photo was taken in their Resource Store, and I even wore my Rebekah Jacket from Lois Clark at Mountain Home! It was a truly feel good day!!

In Loving Memory

Jean passed away on November 18, 2023 after a long and productive life. She was 95 years old. She and her husband

Bill were very active in the Independent Order of Oddfellows and Rebekahs and the Encampment. Jean held many positions in the Rebekahs, some more than once. She loved the traditions, events, activities and the regalia and treasured the many friendships she formed there. She was always ready to help and to take on a challenge. Jean served on the World Eye Bank and Visual Research Foundation Committee and made several trips to the Wilmer Eye Institute at John Hopkins Hospital. Jean and Bill received the opportunity to lay a wreath at the Tomb of the Unknown Soldier. They also hosted foreign exchange students through the IOOF International Youth Exchange and worked on several of the IOOF Rose Parade floats, climbing the scaffolding with ease. She and her husband Bill were very active in their church, the Payette Senior Center and the American Legion Auxiliary. She welcomed everyone into her home and treated everyone like family. She is survived by her children, Chuck, Charlene, Clint and Curt and their wives, 6 grandchildren and 13 great grandchildren. She made a tremendous impact on all she knew and did. Jean was dearly loved and will be deeply missed. A notice regarding services will be forthcoming. Cards may be sent to the Stephan family at 8990 Raby Lane, Payette, Idaho 83661.

Dear Fraternal Brothers and Sisters,

I hope this letter finds you all in good health and high spirits. As we gather in the spirit of our cherished fraternity, I wanted to take a moment to reflect on the profound significance of the obligations and vows we have each taken before God and our beloved Lodge.

We are not just members of a club; we are a family, bound by a commitment to one another that goes beyond friendship. When we recited those solemn vows and obligations, we made a covenant not only with our fellow members but with a higher purpose that transcends our individual lives. We pledged to uphold the principles of Friendship, Love, and Truth as our guiding lights.

In our Lodge, we find our second home, a place of solace and support. Just as our homes and temples deserve our best work, our Lodge and community are no exception. The duty to "visit the sick, relieve the distressed, bury the dead, and educate the orphan" is not a mere recitation; it's a call to action, a commitment to be active and supportive brothers and sisters.

As we stand together, hand in hand, we understand that our bond is built on trust, loyalty, and the unwavering belief in the Brotherhood of Man. We are here to be each other's pillars of strength, to offer solace in times of distress, and to celebrate the joys of life together. Our fraternity is a living testament to the Fatherhood of God, where our collective spirit is greater than the sum of its parts.

Let us remember that our commitment extends beyond the walls of our Lodge. In the broader world, we are ambassadors of the principles we hold dear. We must remain faithful to our Country and ever grateful to our Creator.

In unity, we have the power to create a better world for ourselves and those around us. Let us continue to work together with earnest faith, modest pride, and deepest loyalty, upholding the sacred vows we have taken. We are more than just members; we are a family, and our love and support for one another know no bounds.

May our fraternal bonds grow stronger with each passing day. Together, we can make a difference and embody the true essence of being Odd Fellows.

With heartfelt fraternal friendship, love, and truth!

Bro. Dustin IrishWebb

Three Links Odd Cast Celebrates 25,000 Downloads Show connects current members and attracts new ones

Graham, WA: Odd Fellowship continues its advance into the future of communications as the Three Links Odd Cast celebrates over 25,000 downloads since its launch in July 2020. Hosted by Past Sovereign Grand Musician Toby Hanson, SGL Webmaster Ainslie Heilich, and Grand Secretary of West Virginia, Mike Duminiak, the Three Links Odd Cast has become a fixture on the landscape of Odd Fellows communication. In the first three-plus years the podcast has featured discussions of various topics of interest to Odd Fellows including history, origins, traditions, current events, and more. Some of the highlights have included an interview with the historian of the Rutherford B. Hayes Presidential Library, stories from new and re-invigorated lodges, a discussion about the demographic shift in Odd Fellowship with an eminent Canadian academic, a Christmas message from then-Sovereign Grand Master Michelle Heckart, and an assortment of episodes talking to new members about their experiences.

As the Three Links Odd Cast surpasses 25,000 downloads, it has several accomplishments. Those downloads have come from all across the world, with 20% of those coming from outside North America, from every continent except Antarctica. Listeners in all Canadian provinces and US states have downloaded and listened to the podcast. Perhaps the greatest accomplishment is that many listeners report having joined lodges as a result of finding and listening to the podcast. For the general public, the Three Links Odd Cast has become an important way of discovering Odd Fellowship. For current members it has become a vital communications link, sharing news in Odd Fellowship including the formation of new lodges and the revitalization of older ones.
