If you are a member of Rebekah Funeral aid please check with Vicky to make sure all of your information is correct. It is not up to her to know who your beneficiary's are or where you wish to be buried

All lodge secretaries should have a list of their members who belong to funeral aid and also all of their information. This is again so that you can inform Vicky of a funeral aid members death.

I realize that we all think Vicky is kept up to date about all of the members who have passed away, but she is only human and does need out help in keeping informed.

Once again, it is time to put my thoughts into words for our Odd Fellows/Rebekah newspaper. This is not an easy task! It has been a busy month. I visited Payette #22. The restaurant they chose was very good; it was Chinese food along with American food. They also had an open meeting and different Rebekah members from Melba Rebekah #105 and Harmony Rebekah #22 (Payette) attended the meeting. I was given an M&M mug for my collection of M&M items. My next visit was to Caldwell #10. Caldwell #10 catered in barbeque food. This was very good. This meeting was also opened, and once again different Rebekahs' attended this meeting. It was nice to visit Caldwell #10 as they haven't been out-and-about. One thing that was very noticeable was the age group. Caldwell #10 has a lot of new members and they are YOUNG! It was great seeing these new faces. March 23, 2024 I will be traveling to Pocatello to attend District 1's meeting and make my official visit. District 1 has Ashton #88 and Portneuf #20 (Pocatello). This will do it for my visits for March. This month I also attended the official visit of Grand Patriarch Robert (Bob) Covert to Ridgley Encampment #2 in Pocatello. While there I met Sister Chrissy Farnsworth. Sister Chrissy wrote about the fur baby (Bode), she and her husband JR rescued from Weiser, Idaho. Sister Chrissy also shared recent pictures of Bode. I also attended Assembly President Christina Supak's official visit to Unity #8 in Boise. Hopefully I will be able to attend

Dear Sisters, and Brothers

Well I have started my Official Visits and I have got to say they have been just as much fun and interesting as I expected them to be. My first Visit was to Unity #8. We started with a great dinner at Chuck O Rama. The food was so good and I can't wait to take my Husband there. We Love a good Buffet. We then went to the Lodge and had a great meeting. I was given an Apron from them and I couldn't be prouder to have it. It's something they have been doing for each President for years. Margaret Odle painted my whole program on it and it is beautiful. I hope all the Past Presidents will bring theirs to Assembly to show them off. They also gave me a monetary donation to help with my travels which I greatly appreciated. I would also like to add that how Bob Covert playing Piano really makes Lodge so much better. Unity Rebekah Lodge is a great group of people and a lot of fun.

My next stop was Guiding Star #4, for District #3 Meeting and Official Visit. They were amazing hosts and I was spoiled while I was there. The Soup and Salad Bar was so good. They had just about everything you could dream of to put on a salad. The Potato Soup was the best I've ever had. I was given a beautiful Moon and Star Notebook. I was also given a monetary donation to help with my travels, a plant, and 2 Glass Pinecones, along with other goodies. Everyone was given the cutest keychain. I even made it out of there with 3 jars of Lois Clarks jam.

## Grand Master's Letter

(Con't from Page 3)

Assembly President Christina's official visit to Melba Rebekah #105 at the end of the month.

Hope you all had a fun Saint Patrick's Day and didn't get pinched for not wearing green. How many of the questions that Grand Secretary Joe DeChristefero asked last month did you know the answers to? Hop The Philosophy of Odd Fellowship: Relevance and Reflections for the Modern World

Please remember the Northwest Odd Fellow/Rebekah Association Meeting April 5, 6, 7, 2024. This will be held at Nampa IOOF Lodge Hall, 204 12th Avenue South, Nampa, Idaho 83651. Also mark your calendar for the Fish Fry being held at Ada #3's Lodge Hall, 600 N Curtis, Boise, Idaho on March 30, 2024 at 6 pm. Hope to see you at either function or both functions.

### National High-Five Day April 18th

National High-Five Day is a fun observance that happens on the third Thursday of April. The day celebrates the well-know hand gesture which is often exchanged between people as a way of congratulation, greeting or celebration.

National High Five Day was born in 2002 when some students at the University of Virginia set up a stall on campus giving away free lemonade and free high-fives. The idea spread across the United States and grew in popularity until it became its own holiday.

## Melba Rebekah Lodge #105

Left to Right: Sister Jelene Baird, Melba Senior Center Director, Sister Janie Clark and Brother Tom Ashley

Nampa - Melba Rebekah Lodge #105 designated the Silver Drill for 2023 to be given to Melba Senior Center in Melba, Idaho. On the 29th of February 2024 Sisters Jelene Baird, Janie Clark, Sandie Chandler, Sharon McGaffick and Ursula White, and Brothers Tom Ashley and Bob Covert ventured over to the Melba Senior Center for lunch and to present them with a check. All enjoyed the luncheon and plan on attending another one.

## Assembly President's Letter

(Con't from Page 3)

Marge Harlan gave some interesting history on their Lodge about how they were down to 2 Members and the next year they had 45 members. I don't remember the exact year but I think she said in the 40's. It was also neat to hear from multiple people about their most memorable moment from "Being a Rebekah". I Love how multiple people stood up to tell their memories. I knew these would make for great topics. Your Lodge was fun to visit and I especially enjoyed your Skits.

My next stop was Pocatello for Ivy #23 and Bingham #78 Joint President Visit and District #2 Meeting. We had a wonderful dinner at the Mexican Restaurant the night before. They got me a nice Motel room and a gift bag full of Moon and Star items that I absolutely love and will treasure. The Meeting was great and lots of laughs. Multiple members spoke of Memories most about P.P. Anna Breeze. You can tell how important she was to that lodge by the way they speak about her. Wayva Murphy gave a beautiful report that was extremely touching. Their Lodge is always fun to visit and extremely welcoming.

I have chosen to reschedule District #4 Meeting. P.P. Jean Stephen's Memorial Service is on the same day and many Members would like to attend. It is now scheduled for May 11th.

At the time of this letter I haven't had my visit to Melba #105 but I will be sure to tell you all about it next month.

April 22nd is Desk Officers Day. I would personally like to Thank all of you. I hope that your Lodges will do the same.

April is also Living Legacy Month. I'm hoping every Lodge will participate in some way when Crystal Livingston RAVP sends out her letters.

Did you know? Odd Fellows and Rebekahs were the first fraternal organization to establish homes for senior members and for orphaned children.

### National Siblings Day April 10th

National Siblings Day is observed every year on April 10th to celebrate the bonds between siblings. This special day originated in the United States but is now recognized globally.

According to reports, 80% of children in America have one or more siblings. There's nothing like the bond between siblings.

National Siblings Day is the perfect day to spend quality time with siblings or give them a call to tell them how appreciated they are.

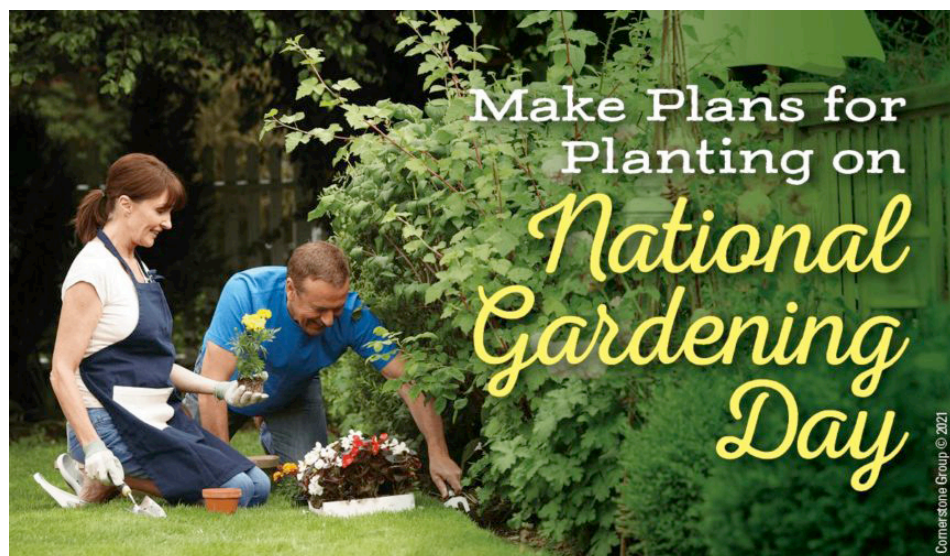

## DDGM District #1 Official Visit To Ashton

Ashton - March 11, 2024 DDGM Dustin Irish-Webb accompanied by David and Crystal Livingston, had his official visit to Ashton #88. The meeting was opened in due form and honors were given. The time was turned over to the DDGM for his message. He spoke about being in the community, opening the doors of the lodge for activities and being present not only for our local lodge but the surrounding lodges also. It was a great message and delivered very well. After the meeting we went to a hosted meal at Trail's Inn. The food was delightful. We all chatted and enjoyed each others company for over an hour. We loved the drive there and back. I have included a picture of the lodge members with the DDGM. Member Rodger Williams, VG Bill Steele, Secretary John Grube, DDGM Dustin Irish-Webb, NG David Goebel, Treasurer Rulon Grube. Also a picture of DDGM Dustin with NG David-look at those smiles!!! Good times with good people!!

## Unity Rebekah Lodge #8

Boise - On Feb 6th Unity lodge was proud to have AP Christina Supak make her first official visit to our lodge. Prior to the meeting the lodge took her out to eat at Chuck A Rama where she stated that she really liked the place and would make sure that she would take her husband there the next time they were in Boise.

Our meeting started at 7:00 where the AP was introduced and given the honors. Other elected officers of all bodies of the order were then introduced. They were Assembly Warden Connie Schultz, Assembly Sec Vicky Kiele, GM Sandy Chandler, Grand Secretary Joe Dechristefero, Grand Patriarch Bob Covert and High Priestess Sharon McGaffick.

Later in the meeting recess was called, so that the members could perform our "Apron Drill" and present president Christina with her apron. This has been a tradition of Unity for a number of years. In the last few years sister Margaret Odle has been the one who has painted the presidents emblems on the aprons. We all enjoyed president Christina's talk. Because of the bad weather we closed the meeting early.

## Grand Patriarch's Visit To Pocatello

Pocatello - Ridgely #2 had the honor of hosting the Grand Patriarch Bob Covert for his official visit to our lodge on February 28, 2024! We also gave honors to Grand Senior Warden Dan Sanow, Grand Junior Warden (Grand Master) Sandie Chandler, Grand Scribe Marge Harlan, Grand Treasurer Tom Ashley, Deputy Grand Master David Livingston and Rebekah Assembly Vice President Crystal Livingston. We had a meal at Texas Road House before the meeting, then we all traveled to the Lodge Hall in downtown Pocatello. We opened the meeting in due form and handed the time over to Grand Patriarch Bob to give his message. He was very informative, instructive and interesting. We had banana splits after the meeting and Bob was given a hand made blanket from the lodge. Our Lodge is so excited to be open and active! We invite all Encampment members to come and visit whenever they have time or are in the area. We meet the 4th Wednesday of every month with dinner at 5:30 (location TBD) and meeting starting at 7:00 pm at 325 West Lander IOOF Lodge. Hope to see you there. I have included a couple of pictures. # The Philosophy of Odd Fellowship: Relevance and Reflections for the Modern World

## Introduction

The Independent Order of Odd Fellows (IOOF), often referred to as the Odd Fellows, is a fraternal organization that traces its roots back to 17th-century England. As one of the oldest and most enduring fraternal orders, the IOOF has a rich history that is deeply intertwined with philosophical principles and teachings. In this article, we will explore the philosophical underpinnings of the Odd Fellows and examine their relevance to our modern world. Additionally, we will reflect on how the values promoted by the Odd Fellows can serve as a source of personal meditation and self-improvement.

## Philosophical Principles of the Odd Fellows

### 1. Friendship

Friendship is one of the core tenets of Odd Fellowship. The belief in universal brotherhood and sisterhood emphasizes the importance of building strong, meaningful relationships. In the modern world, where technology can sometimes lead to isolation, the value of genuine, human connections promoted by the Odd Fellows remains as relevant as ever.

### 2. Love

Love, in the context of Odd Fellowship, extends beyond romantic love and encompasses love for all humanity. The principle of universal love encourages members to show compassion and kindness to others. In today's world, characterized by social and political divisions, practicing love for all can be a powerful force for unity and understanding.

### 3. Truth

The pursuit of truth is another fundamental principle of the Odd Fellows. Members are encouraged to seek knowledge, be open-minded, and uphold honesty. In an age of misinformation and polarization, the commitment to truth and critical thinking is essential.

### 4. Relief

Odd Fellows are dedicated to relieving the suffering of those in need. The principle of relief aligns with modern ideals of social justice, humanitarianism, and charitable work. In a world filled with inequities, the Odd Fellows' emphasis on providing relief resonates strongly.

## Relevance to the Modern World

The philosophical principles of the Odd Fellows are highly relevant to the challenges and complexities of the modern world. In a time marked by social isolation, divisiveness, and uncertainty, the Odd Fellows' emphasis on friendship, love, truth, and relief offers a roadmap for creating a more compassionate and harmonious society.

## Questions of Reflection for Personal Meditation

1. How can I cultivate genuine friendships and contribute to building a more connected community in today's digital age?

## The Philosophy of Odd Fellowship: Relevance and Reflections for the Modern World

(Con't From Page 10)

2. In what ways can I practice universal love and compassion in my daily life, even in the face of disagreement and division?

3. What steps can I take to seek truth, promote critical thinking, and combat misinformation in my personal and professional life?

4. How can I contribute to providing relief to those in need, and what role can I play in addressing the social and humanitarian challenges of our time?

### Conclusion

The Independent Order of Odd Fellows stands as a testament to the enduring value of its philosophical principles. In an age marked by rapid change and uncertainty, the Odd Fellows' teachings on friendship, love, truth, and relief continue to offer timeless guidance for building a more compassionate and harmonious world. As we reflect on these values for personal meditation, we can each find ways to incorporate them into our lives and contribute to positive change in our modern society.

## Patriots' Day

Patriot's Day is an annual holiday observed on the third Monday of April. This corresponds to Monday, April 15 in 2024. It commemorates the Battle of Lexington and the Battle of Concord which took place on April 19, 1775 and were the first battles fought in the American Revolutionary War. 2024 will mark the 250th anniversary of the battle!

This day is not to be confused with Patriot Day, which happens on September 11 every year and remembers the anniversary of the attack on the World Trade Center.

Patriots' Day is a public holiday in the states of Maine and Massachusetts, where people have the day off and schools and businesses are closed for the day. Even though other states in America observe this day, it is not a federal holiday.

One key figure associated with Patriots' Day is Paul Revere, a silversmith, who warned New York and Philadelphia about the Boston Tea Party and rode to Lexington in the night to alert the continental army of the approaching British army.

Originally celebrated on the anniversary of the battles, April 19, the holiday was moved in 1969 to the third Monday in April to give workers a three-day weekend.
